Re: *United States v. Ryan Little, 22 Cr. 260 (PAE)*

Honorable Judge Engelmayer:

I write on behalf of Mr. Ryan Little and jointly with the Government to provide the Court with an update as to the status of this matter. The parties have been in extensive discussions regarding a resolution of the above-captioned case and another federal prosecution that is expected to be instituted in North Carolina by the end of October. Additionally, a motion to suppress identification evidence is pending and a hearing on that issue is presently scheduled for Wednesday, October 12, 2022 at 10 A.M.

The parties agree that the October 12 hearing should be postponed, and respectfully request the Court adjourn it for 30 days. Notably, the pending suppression is not dispositive. Should the Court grant it, the Government will continue its prosecution of Mr. Little in the above-captioned matter. The adjournment is requested to allow the parties to prioritize discussions regarding pretrial resolution.

Thank you for your considering this request.

Respectfully submitted,

Christopher A. Flood
Assistant Federal Defender
Counsel for Mr. Ryan Little

DENIED. The suppression hearing will go forward as scheduled, barring the execution of a plea agreement in advance of the hearing. The Clerk of Court is requested to terminate the motion at Dkt. No. 21.

SO ORDERED.

PAUL A. ENGELMAYER
United States District Judge
